

CARRICKPHIERISH COMMUNITY CAMPUS

# HUB NEWS

ISSUE 1 | OCT 2016

**WELCOME** to the first issue of the **Hub News**. We hope that you will find this publication interesting and informative. In this issue, we review the first year of the Carrickphierish Sports Hub giving you a taste of the programmes and sports that have already started in the Hub. We have also included upcoming opportunities that you can become involved in, as well as updates from the Hub Partners.

We would be delighted to hear from you. If you have any comments or would like to contribute to the next issue please do contact us.

# 2016 Summer Camps at the Sports Hub

## Multi Sport Summer Camp

We ran a four day summer camp in July at the Sports Hub for 34 children (9 to 13yrs). The camp which was organised and supervised by WSP and Northern Suburbs Community Youth Project, was funded with Dormant Accounts Funding through Sport Ireland to provide an affordable camp for children living in the Carrickphierish and Gracedieu area. The children took part in a variety of activities including cycling with Donal Jacob, hurling, camogie and football with Waterford GAA Coaching and Games Development, tennis with tennis coach Mark White along with basketball, dodgeball and football throughout the week.

### Basketball Summer Camp

- Congratulations to the 50 children who participated in the "Hoopz Kidz Basketball Camp" at the Hub in July. Well done to basketball coach Joe Byrne and his team of coaches for the fun skills and drills introduced to the children throughout the week. Every day the children finished off with basketball matches and it was super to see their improvement throughout the week. On the final day Waterford Vikings Basketball Club Coach, Shirley Fennelly, came in to speak to the children about Waterford

Vikings Basketball Club and gave them information about the club and how to join. Well done to everyone involved, we would love to see the children continue playing basketball.

## GAA Summer Programme

WSP's Hub Development Officer and Waterford GAA Coaching and Games Development organised two GAA days over the summer for children aged 4-9 years in Carrickphierish Sports Hub. Twenty eight children took part in these two days of activities. Two coaches delivered fun training and games to the young children. The GAA afternoons from 3-5pm consisted of fun games, gaelic football and hurling/camogie. The children were invited back to participate in GAA games which started on the 29<sup>th</sup> of September in the Hub. This Programme was funded with Dormant Accounts Funding through Sport Ireland. Waterford Sports Partnership would like to thank Waterford GAA Coaching and Games Development for their support throughout the summer.

## FAI Summer Camp

Thirty two children took part in the FAI Summer Camp in Carrickphierish Sports Hub from the 2<sup>nd</sup> to 5<sup>th</sup> August.

This camp which was funded with Dormant Accounts

Funding through Sport Ireland was organised by Waterford Sports Partnership and Northern Suburbs Community Youth Project for children aged 10-15yrs in the Carrickphierish and Gracedieu area. FAI

coaches Paul Westwood and Thomas Croke delivered new skills, drills and games to the children every day and at the end of the week everyone received a certificate of participation. Waterford Sports Partnership would like to thank Northern Suburbs Community Youth Project and the FAI for their support throughout the summer.

## NUACHT! Gaelscoil na nDéise

Tháinig ionadaithe ó Seirbhís Leabharlainne Phort Láirge go dtí an scoil le déanaí chun bonn agus teastas a bhronnadh ar pháistí a ghlac páirt sa Dúshlán Léitheoireachta i rith an tSamhraidh. Comhghairdeachas le Emer, Joe, Rian, Oscar, Polly, Éanna, Ellis, Cillian, Noah, Ren, Cian, Eoin agus Kate!

Representatives from the Waterford Libraries Service visited the school recently to present medals and certificates to the children who participated in the Summer Reading Challenge. Congratulations to Emer, Joe, Rian, Oscar, Polly, Éanna, Ellis, Cillian, Noah, Ren, Cian, Eoin and Kate!

Thug Rang 4 cuairt ar fheirm prátaí i Móin Choinn mar chuid de chlár na Scoileanna Glasa. Chuadar amach ar na páirceanna agus phiocadar prátaí éagsúla. Chonaiceadar scioból mór le 5,000 tona prátaí istigh ann agus d'fhoghlaim siad faoi shaol an phráta. D'itheadar curáí prátaí, anraith prátaí, sceallóga, prátaí brúite agus prátaí rósta. Fuaireadar málaí criospaí agus málaí prátaí le tógaint abhaile leo sa deireadh. Míle buíochas do Doyle Produce don chuairt iontach a bhí acu!

Rang 4 visited a potato farm in Mooncoin as part of the Green Schools' Programme. They went out on the fields and picked different varieties of potatoes. They saw a huge barn with 5,000 tonnes of potatoes in it and they learned about the life of the potato. The boys and girls also got a chance to taste potato curry, potato soup, chips, mashed potato and roast potato. They were delighted with the bags of crisps and potatoes they were given to bring home. Many thanks to Doyle Produce for the great tour!

Chuaigh ranganna na naíonán, Rang 5 agus Rang 6 ar shiúlóidí dúlra go Carn Glas le déanaí. Bhailíodar duilleoga ar réimse leathan crainn. Ina measc, bhí an fheá, an fhuinseog, an seiceamar agus an chnó capaill. Thaitin na turasanna go mór leo!

The infant classes, Rang 5 and Rang 6 went on nature walks to Carn Glas recently. They collected leaves from a wide variety of trees. Among them were beech, ash, sycamore and the horse-chestnut. They thoroughly enjoyed the trips!

# NEWS! from Waterford Educate Together National School

Our sixth class made a display for the wall highlighting the quantity of sugar in many of the items we consume regularly. We hope that raising awareness will help us cut down on the amount of sugar we take in. This will help us all stay healthy. 3rd Class had a visit from F.A.I. officer, Gary Power. He gave a presentation on the UEFA initiative 'Show Racism The Red Card'. It was very informative and featured Irish sports stars including Ireland soccer goalkeeper Darren Randolph, Irish rugby star Seán O'Brien and Dublin GAA footballer Bernard Brogan.

On Wednesday October 5th, we celebrated National Tree Day. Muinteoir Pat organised tree related activities both inside and outside the classrooms for all the children in our school. We went tree-spotting, we did tree art, we discovered which animals lived in trees in Ireland and each child planted a rowan tree seed. Thanks to all the parents who came in to help. After lunch we had a whole school gathering and we planted a rowan tree in our school grounds.
