

Funding Information

The aim of this funding booklet is to provide information on possible funding sources for sporting activities. The information given contains a number of current funding opportunities. However, in the current climate, Waterford Sports Partnership will endeavour to update this booklet on a regular basis but it is recommended that you register your interest with any grant mentioned.

The aim of this research is to ensure eligible groups are aware of funding opportunities and we have also included points of contact applicable to groups and organisations. In addition to this, a list of useful information is given on the back page which includes websites which give specific funding information and training opportunities for organisations.

If you are aware of a grant that has not been included in this information booklet please contact us on 058 21191 or info@waterfordsportspartnership.ie
