

CONCUSSION Awareness Seminar

Monday 9th March | 7 to 9pm | The Park Hotel | Dungarvan, Co. Waterford

About the Seminar Presenter

Shane Mooney | IRFU First Aid & Injury Prevention Co-ordinator

Shane is responsible for all IRFU medical training and education and is the programme manager for Safe Rugby. His background is pre hospital emergency medicine, with over 24 years experience in providing frontline care, training and development.

What will the seminar cover?

The seminar will include modules relating to Concussion Recognition Management and Return to Play protocols followed by a Question and Answer session.

The content has been designed to educate coaches, parents, players and referees on the dangers of concussion and how to recognise it.

Who should attend?

This seminar is a must for players, coaches, parents, referees and volunteers involved in all sports.

"Concussion Awareness Training is essential for all boxing coaches. For the health and safety of the boxer, it's important you can recognise the signs and make a prompt and correct decision"

Neil Gough, Coach, St Paul's Boxing Club

'Any knowledge on concussion awareness is of the utmost importance in all sports and can only benefit coaches in providing safe and effective player welfare'.

Gary Power, Waterford Football Development Officer
